languages for your own unique needs

Susanne Saltzstein,
owner of Teach • Train.
We look forward to
teaching you!

YOUR INDIVIDUAL NEEDS

Your course will **be designed for your unique needs**. For example if your need is for business purposes then that will be the focus as soon as the most basic phrases are mastered. The subject? - You decide. We help you make it happen!

BUSINESS OR PLEASURE

What are your individual needs? The possibilities are endless from:

- **Business**
- **Pleasure and traveling**
- **Shopping and restaurants**
- **Presentations, sales, telephone**
- **Medical expressions**
- **A conversation with your colleague at the office or over lunch**
- **Social events**
- **Or something else?**

Maybe your **pronunciation** needs improving. Everything can be arranged to ensure that **your individual needs** are catered to.

PRIVATE INSTRUCTION, GROUPS, SUPER-INTENSIVE - YOU NAME IT

Our range of courses are as long as your wishes - lets just mention a few examples right here:

- **Private Instruction**
- **Semi-Private Instruction**
- **Company Groups**
- **Super-Intensive - Crash Course**
- **Brush-Up**
- **Improve your writing skills**
- **Swedish for Danes**
- **Danish for Swedes**
- **and much more...**

Private Instruction: A *highly intensive* way of learning your language. You listen to and speak the language all the time and the focus is on YOU only.

Group Instruction: With 2-6 participants, you also get *very intensive* training and at the same time you benefit from the other participants.

Super-Intensive: A fast learning curve if you need to learn your new language fast. A minimum of 3-12 lessons every day for one week or more.

PROFESSIONAL INSTRUCTORS - FAST PROGRESS AND GREAT RESULTS

Your course will be taught by an **experienced, highly educated and confident instructor** who teaches you his/her mother tongue. In a teaching situation built on

trust and confidence you will get the best results and the fastest progress - all planned and tailored to match your pace and needs!

Hans Meertens, Holland. At first I thought that there was no need to speak Danish. But very soon I realized how much I was missing out on. Now I am able to better follow the media and to understand my colleagues when they speak together.

Annalisa Garetto, Italy. I never thought I would learn to communicate in Danish. But it has happened and it is a whole new adventure to me to be able to talk to the Danes and actually be understood.

DISCOVER A WHOLE NEW WORLD

To learn a language from the beginning or even to improve on a partially mastered language is to open up and discover a whole new world.

- **Travel and experience more of the country's culture and its people.**
- **Don't lose important business deals.**
- **Meet and greet your clients in their own language.**
- **Manage your presentation with confidence.**
- **Pass your exams with merit.**
- **Speak comfortably no matter where you are in the world!**

For business or pleasure. We will help you reach your goal. And it will be fun too!
